

Dongguan Heao Group Co., Ltd

| Model No. | Dimensions | Weight | Dog age | Size:Large | Material |
|-----------|----------------|--------|---------|------------------------|----------------|
| 22268 | 20 x 19 x 6 cm | 435g | Adult | For Dogs 35 lbs and up | Natural Rubber |

With a strong presence in China, Heao Group has earned its reputation as a leading manufacturer, dedicated to creating superior dog chew toys for bully breeds. The toy is a robust and durable playtime essential designed in a cross-shaped configuration, making it an ideal choice for medium and large breeds. Its sturdy construction ensures it can withstand even the most vigorous chewers, providing endless entertainment for your furry companions.

Treat Dispensing Center:

At the center of the cross, there is a strategically placed cavity that serves as a treat dispenser. This feature adds an exciting element of reward during playtime, as you can fill it with your dog's favorite treats or snacks. As your pup interacts with the toy, they'll be delighted by the occasional surprise of tasty treats falling out, encouraging them to engage in stimulating play.

Size and Versatility:

This chew toy boasts a sizeable structure, tailored to suit the play preferences of medium and bully breeds. Whether it's an energetic game of tug-of-war or a satisfying chewing session, this versatile toy accommodates various play styles and provides a satisfying outlet for your dog's natural instincts.

Reliable and Tough:

Crafted from premium-quality natural rubber, this dog toy is designed to be exceptionally tough and resilient. The material is chosen to endure extended play sessions, making it an excellent investment that stands the test of time and keeps your dog entertained for countless hours.

Dental Health Benefits:

The textured surface of the toy aids in promoting good dental hygiene. As your dog gnaws and chews on the ridges and grooves, their teeth and gums receive a gentle massage, helping to reduce plaque and tartar buildup while ensuring a healthy oral environment.

Interactive Bonding Time:

Playing with this cross-shaped toy allows you to actively engage with your dog, strengthening your bond and providing a sense of companionship and joy for both of you. You can participate in fetch games, reward-based training exercises, or simply enjoy watching your pup's excitement as they explore the treat-dispensing feature.

Low Maintenance:

Cleaning the toy is hassle-free. You can rinse it with water and mild soap, and it'll be ready for the next playtime adventure.

Overall, the dog chew toys for bully breeds cross-shaped design, treat-dispensing center, and durability make it a fantastic addition to your dog's playtime repertoire. Whether your four-legged friend enjoys solo play or interactive fun with you, this toy promises to keep them physically and mentally stimulated, ensuring a happy and contented canine companion.
